The Junior Braves are very excited to begin their inaugural season in 2018-19 in the Noralta Junior Hockey League. Like the other 12 NJHL franchise teams, the Junior Braves hope to build a hockey program that will allow graduating Midget Players an opportunity to continue playing the great game of Hockey at a competitive level in a safe, fun environment while still allowing the players an opportunity to pursue education, employment, and other opportunities outside of hockey.

The Junior Braves will play a 26-game schedule plus playoffs and are eligible to compete in the Hockey Alberta Provincial Championships with no games scheduled during Christmas (just 2 games in December), Grey Cup, and Superbowl so there will plenty of time for players to play competitive hockey while still enjoying other activities.

If you are a Junior Age player, and not already registered to another NJHL team, we hope you would consider playing with the Junior Braves in our inaugural season. Please see the tryout times listed above beginning September 6 and we hope to see you in early in September.
